PREPRESS PROOFS Meyers Printing requires proofs for all printed jobs. Buyer supplied new or altered digital files will be proofed using a digital proofing method chosen by Meyers Printing Company. Meyers will not be responsible for any undetectable cosmetic or product errors if the proof is not approved by the Buyer or if acceptance or changes are communicated orally.

COLOR PROOFING Because of differences in equipment, paper, inks, and other conditions between color proofing and production pressroom operations, a reasonable variation in color between color proofs and the completed job is to be expected. Title for finished work passes to the Buyer upon delivery to the carrier at shipping point; or upon mailing or invoices for the finished work or its segments, whichever occurs first.

PRODUCTION SCHEDULES Production schedules will be established and followed by both the Buyer and Meyers. In the event that production schedules are not adhered to by the Buyer, delivery dates will be subject to renegotiations. In such cases, schedules will be extended by an amount of time equal to delay incurred.

BUYER-FURNISHED MATERIALS Materials furnished by Buyers or their suppliers are verified by delivery tickets. Meyers bears no responsibility for discrepancies between delivery tickets and actual counts. Buyer-supplied paper must be delivered according to specifications furnished by Meyers. These specifications will include correct weight, thickness, pick resistance, and other technical requirements. Artwork, film, color separations, special dies, tapes, disks, or other materials furnished by the Buyer must be usable by Meyers without alteration or repair.
